## Saddle Pad

### 650013

#### Dressage saddle pad

Pad is made with pure, 600-gram cotton padded with 200 grams of Welltex® felt. padding helps control temperature, provides breathability, distributes pressure and absorbs shock. Fabric: 100% cotton. Liner: 100% polypropylene. 23.5" spine; 22" drop.

### 6500014

#### Jumping Saddle Pad

Soft, polyester fabric provides comfort and aids in moisture-wicking to discourage fungal growth. Girth loops stabilize the pad under the saddle and prevent slippage.

### 650015

#### Quilted All-Purpose Saddle Pad

Well-padded and soft. Offered in a variety of colors with self-colored binding, it has a durable poly exterior diamond quilted over 600 grams of poly fill. 7.5" long girth loops help to keep it secure.
